

CSC-382 Summer 2021

**Assignment #4 (20 points)**

Assigned: 7/26/21 @ 12:00AM

Due: 8/2/21 @ 11:59PM

For the Ticket Kiosk system that you have been developing:

- 1) Reference the five CRC Cards created in Assignment Three.
- 2) Turn all the CRC cards into the class diagram format (attributes and methods in three-part box)
- 3) From all these classes develop the following (create any additional classes you need to complete the diagrams):
  - a) Two (2) inheritance diagram
  - b) Two (2) set of aggregations
  - c) Two (4) associations
  - d) Two (2) dependencies
